When checking in, please give your callsign phonetically.

2 Are there any stations with Emergency or Priority Traffic?

a. Acknowledge station(s). b. Are there any other stations with Emergency or Priority Traffic? c.

If there is traffic you need to find a through traffic liaison. Ask "Do we have a through traffic liaison?" d. Receiving station, please call the Sending Station and receive your traffic.

3 Are there any out of county Traffic Liaisons? Is there a Seneca County Traffic Liaison?

Before continuing, ACKNOWLEDGE EVERY STATION by Call Sign and first name

4 Are there any stations with Formal Traffic?

***PASS TRAFFIC NOW IF APPROPRIATE.** If there is traffic, a. Are there any stations who can handle this traffic? b. Are there any other stations WITH FORMAL Traffic? c. If there is traffic you need to find a through traffic liaison. Ask "Do we have a through traffic liaison?" d. Receiving station, please call the Sending Station and receive your traffic.*

Tonight is the 1st Sunday of the month, and we will also be doing the Simplex Net on 146.430. The simplex portion will begin after we get all stations checked in.

5. The net will now take check-ins from SENECA COUNTY ARES MEMBERS. Please list your call sign phonetically, and your name. KB8EOC

Before continuing, ACKNOWLEDGE EVERY STATION by Call Sign and first name

6. Second call for check-ins from SENECA COUNTY ARES MEMBERS.

Before continuing, ACKNOWLEDGE EVERY STATION by Call Sign and first name

7. We will now take all other stations wishing to check in. Please give your call sign phonetically, along with your name and location.

8. Second call for all other stations.

Before continuing, ACKNOWLEDGE EVERY STATION by Call Sign and first name

We will now begin the Simplex portion of the net. We'll go to the simplex frequency of 146.430 and do a round of CHECK-INS and COMMENTS and then return to this repeater for the remainder of the net. At this time, please tune to 146.430 and standby for the net control station. KB8EOC

(On 146.430)

Is the frequency in use ... Is the frequency in use.

This is KB8EOC Net Control Station for the Seneca County ARES Simplex Net.

I'll run through the existing CHECK-INS list, check for additional CHECK-INS, then we'll do

a round of comments concerning simplex operations.

Start at the top of the SIMPLEX list, acknowledge each station, in order, and give the stations that are NOT checked in/out, time to state their comments. Then move to the next station on the list. After a few, ask for additional check-ins)

9. Are there any other CHECK-INS and COMMENTS for the Simplex Net.

Pause for additional stations to check in and acknowledge by call sign, name, and any appropriate comments.

With nothing heard, we will now move back to the 145.150 repeater.
At this time, please tune to the 145.150 repeater and standby for the net control station.
