SENECA COUNTY ARES® NET

STANDARD NET VERSION (SIMPLEX NET VERSION BELOW)

<mark>*Pre-net: 5 minutes before the net announce the net will be starting at 8:00*</mark>

1 Welcome to the Seneca County ARES® Net. This Net meets on Sunday nights at 8:00 PM, and is open to all amateurs. Our backup repeater is at 145.450, with a PL of 107.2. In the event both repeaters are unavailable, we will use our primary simplex 146.430. Our secondary simplex is 146.400. The purpose of this net is to promote goodwill towards the amateur radio service and to exchange ideas and information among all radio amateurs. This is a controlled net and your net control station this evening is (Your First Name and Call Sign**) in (**Your Location**), operating as KB8EOC. When checking in, please give your callsign phonetically.**

8 The net will now take all OTHER STATIONS. Please check-in with your call sign phonetically, your name and your location. KB8EOC If necessary, call a "NET HOLD PLEASE". *(use as necessary to catch up on logging check-ins) Start at the top of the list, acknowledge every station by Call Sign and first name.*

9 We will now begin the Simplex portion of the net. We'll go to the simplex frequency of 146.430 and do a round of CHECK-INS and COMMENTS and then return to this repeater for the remainder of the net.

At this time, please tune to 146.430 and standby for the net control station. KB8EOC

(On 146.430)

10 Is the frequency in use … Is the frequency in use.

This is KB8EOC Net Control Station for the Seneca County ARES Simplex Net.

I'll run thru the existing CHECK-INS list, check for additional CHECK-INS, then we'll do a round of comments concerning simplex operations.

Start at the top of the SIMPLEX list, acknowledge each station, in order, and give the stations that are NOT checked out, time to state their comments. Then move to the next station on the list. After a few, ask for additional check-ins.

11 Are there any other CHECK-INS and COMMENTS for the Simplex Net.

With nothing heard, we will now move back to the 145.150 repeater.

At this time, please tune to 145.150 repeater and standby for the net control station. KB8EOC
